

# DIGITAL COMMUNICATIONS EXECUTIVE

We're looking for highly literate, creative candidates to help manage content on large websites, eLearning solutions and corporate communications projects.

**Required Skills:** Applicants will need a good understanding of Microsoft Office and familiarity with design software will be advantageous. A high standard of written English is essential and an understanding of how Social Media can be leveraged in a corporate context would be ideal.

**Personal qualities:** You are a self-motivated individual who is able to work under pressure and is excited about being part of a specialist team that delivers high quality digital media for influential organisations.

**Guidance to applicants:** When applying for a role with Red Magma your application should include a covering letter (100 - 500 words), your CV and examples of your work. Please send your application to [jobs@redmagma.com](mailto:jobs@redmagma.com) and include your preferred role in the subject line.

## RED MAGMA IS A DIGITAL COMMS AGENCY WITH OFFICES IN BRIGHTON AND LONDON.

We are always on the lookout for exceptional team-members. Whether you're a talented content editor, designer, developer or account manager, if you've got a passion for creative digital comms we want to hear from you.

Successful applicants will join a team of digital specialists working for some of the largest companies in the world. It's our job to help businesses exploit digital technologies for their marketing and communications. Many of our clients have more than 100,000 employees and work in a variety of industries such as IT, Healthcare and Consumer Goods.

Our studio is in the heart of Brighton and just a stone's throw from the beach. A role with Red Magma offers a unique opportunity to work with a passionate team and make a meaningful contribution to the success of a broad-range of projects.
